NOTE TO STUDENT: The top of this form to be completed prior to interview. Please bring copies of transcripts and/or NTE results with you to the interview.

The purpose of this interview is to verify background in a major area and from that point of view to assess suitability to teach. A recommendation is one of the requirements for clearance before entering the first semester of student teaching in the Credential Program.

Based upon an interview and an examination of the academic major of this student, I recommend as follows:

- 1. The student has met all requirements for the academic major through appropriate coursework.
2. The student can be admitted to the first semester of student teaching. However, the following coursework in the academic major must be completed before entering the second and final semester of student teaching. IT IS RECOMMENDED THAT A STUDENT WHO NEEDS TO COMPLETE MORE THAN SIX UNITS IN THE MAJOR AREA DELAY ADMISSION INTO THE PROGRAM FOR AT LEAST ONE SEMESTER.
3. The following coursework must be completed PRIOR to admission into the first semester of student teaching:
4. The student is not eligible for admission into the program for the following reasons:

NOTE TO ADVISOR: If either number 2, 3, or 4 is checked, both the white and yellow copies should be returned to the Department of Policy Studies.
