

Welcome to the 2200 Series *Get to know your phone* Survey

At Kyocera we are dedicated to understanding the needs of our customers and improving our website services. Your opinions and feedback are very helpful and appreciated. This survey should take only a few minutes to complete.

Before you begin the survey, however, make sure you've completed your visit to the *Get to know your phone* web page and the pages to which it links.

If you are at least 18 years old and want the chance to win one of two **\$50 cash prizes**, enter your email address in the space provided in the survey. Please submit only one survey per person.

Understand that all your responses—including your email address—will remain confidential. You will receive an email from someone at Kyocera *only* if you are selected in our drawing.
