

Thanks for your willingness to complete this survey.

The Computer Information Systems department at Cuyamaca College is in the midst of departmental evaluation. Your responses will help the department learn more about the students it serves, how well it meets your academic needs, and the constraints or barriers you face in attending class.

All information will be reported in the aggregate (group format); your individual responses and any individual identifiers will remain confidential. All data will be managed by the evaluator; no one at Cuyamaca will have access to the data.

Whether you are a current or former student, your opinions about your educational experience are important. The survey will take about 10 minutes to complete. Just click **Submit** when you are ready to send.
