

Copyright Assignment Agreement

I, _____ of _____ ("Assignor") hereby grant and assign exclusively to San Diego State University ("Publisher") all copyrights and any other rights which I may have to the work described as follows:

I represent and warrant to Publisher that I am the sole originator, proprietor and copyright holder of the work and have full power to make this agreement; that the work, or portions thereof, has not been previously published elsewhere; that the work does not infringe the copyright or other proprietary right of any person or entity; that the work does not contain libelous or other unlawful matter; and that the work does not improperly invade the privacy of any person or entity.

I understand and agree that the work shall be copyrighted in the name of Publisher and shall inure to the benefit of Publisher, its personal representatives, successors or assigns during the initial copyright period and during any renewals thereof.

I acknowledge and agree that there is good and sufficient consideration to support this agreement.
